Broward Tax Collector's Office opening EZ Tax Table to fast-track property tax payments due March 31

In an effort to enhance efficiency and better serve taxpayers during the busy season, the Office of Abbey Ajayi, Broward County Tax Collector, is launching EZ Tax Table, a walk-up station designed to fast-track essential property tax payment services.

This service is in addition to the online payment option at BrowardTax.org, making a full payment at any Wells Fargo branch across the county, or mailing in a check to Broward Tax Collector: P.O. Box 105048, Atlanta, GA 30348-5048.

"We recognize that some property owners prefer to come into our office instead of making their payment online," says Broward County Tax Collector Abbey Ajayi. "The EZ Tax Table offers a convenient walk-up service for residents to easily pay their property tax bill without the hassle of coming into the office. Our goal is to make it quick and easy for everyone."

Located outside of the Downtown Fort Lauderdale Governmental Center by the southeast corner of Broward Boulevard and Brickell Avenue, the EZ Tax Table will provide a quick and convenient option for residents making property tax payments before the March 31 due date.
